A note from Mrs Lennon

It has been lovely to welcome the children back to school this week—they have all made a super start to this school year. I want to extend a special welcome to our new Reception and Nursery children and families—it has been so nice to see our new children around school and they all seem settled and happy already. It always a pleasure to start the new school year and it feels like we have got off to a great start! I had the pleasure of joining Key Stage 1 for singing assembly this morning—what a treat!

Homework—Key Stage 1 & 2

Following our Homework survey in June, we have made some changes to how we will organise homework for Key Stage 1 and 2 this year. There will be no homework for next week with the 1st being sent home next Friday.

I will send a letter out next week outlining the changes so please keep an eye out! Thank you to those that contributed to our survey.

In assembly each Monday, we will share the attendance and the class with the highest attendance will receive a point. The winning class will choose a treat at the end of the half term!

Every student. Every day.

**This week our whole

**And the winning

Just a reminder—please do label your child's uniform with their name—including coats, lunchboxes, water bottles etc. It is always tricky to reunite items with their owner if things go missing and this really does help!

Census Day

School funding is directly linked to the October census on Thursday 2nd October. Every year, the amount of pupils who take a school meal on this particular day impacts the amount of money we receive for the next school year. Even if your child would normally have a packed lunch on this day, please try and order a school dinner for them to try if you can!

Don't forget...

Keep checking your Class Dojo pages to find out about school trips that will be coming up this year!
