A note from Mrs Lennon

We have had another nice week in school - the children seem very settled in their new classes now and I have been lucky to see some great examples of our agreed behaviour 'routines' both in classrooms and on the playground.

Our new School Councillors are looking forward to starting their new jobs and I know Miss Williams is keen to get up and running too! I am sure they will all do a great job!

I hope you all have a lovely weekend!

Dates & Trips

On Monday you will receive our termly calendar for Autumn Term which gives you all the dates for events in school up until Christmas.

Mrs Taylor is busy booking all the school trips for this year—again, we will have a letter with you next week to give the overview of trips for your child this year. Reminder, all trips should be paid via School Money.

Attendance

**Our school
attendance target is
97%.**

In assembly each Monday, we will share the attendance and the class with the highest attendance will receive a point. The winning class will choose a treat at the end of the half term!

**Attendance
Matters**

Every student. Every day.

**This week our whole
school attendance
was 97.5%**

**And the winning
class is...**

Year 4 (99.7%)

Congratulations!

Star of the Week

Census Day

School funding is directly linked to the October census on Thursday 2nd October. Every year, the amount of pupils who take a school meal on this particular day impacts the amount of money we receive for the next school year. Even if your child would normally have a packed lunch on this day, please try and order a school dinner for them to try if you can!

Don't forget...

The car park gate is not open any more before and after school
in line with our safety arrangements.
