A note from Mrs Lennon

Firstly, thank you for your patience with our Parents' Evening bookings—I am so sorry about the technical issues we have had with booking appointments—sometimes tech doesn't help very much does it!? I can see that over 85% of parents have now managed to book an appointment which is great—if you haven't yet and need any help, please phone the office and we will book manually for you.

I hope everybody has some lovely plans for this weekend—fingers crossed for some nice Autumnal weather!

Medical Tracker

A letter was sent recently regarding the Medical Tracker system that we have purchased for school. If your child has a medical condition that is known to us, e.g.—asthma, their care plan has now been transferred to this system. You should have received an email alert asking you to **approve the plan**. You can request changes or just approve as is. If you think you should have had an email, please check junk folders in case it has gone there.

From Monday, all bumps/scrapes/injuries will be recorded on Medical Tracker and notifications will be sent electronically rather than on paper. **Please ensure we have an up to date email address for you.**

Attendance

Our school
attendance target is
97%.

In assembly each Monday, we will share the attendance and the class with the highest attendance will receive a point. The winning class will choose a treat at the end of the half term!

**Attendance
Matters**

Every student. Every day.

**This week our whole
school attendance
was 94.6%**

**And the winning
class this week is
Year 6 (98.4%)
Congratulations!**
