A note from Mrs Lennon

It has been another lovely week in school—feeling ever more Autumnal! I have had the pleasure of spending lunchtime today on the Key Stage 2 playground and was chatting with some children about the changes in the leaves and the transition from Summer to Autumn. It was all lovely until they started asking “how many sleeps until Christmas?!”.... Not yet please....!

I hope everybody has a lovely weekend.

Macmillan Cake Sale

Next Friday we will be having a cake sale in school to raise money for the Macmillan charity. This is charity close to many hearts of families and staff in school so we would appreciate any support to raise funds to support their vital work.

Due to allergy needs in school, we ask that all donated cakes are in shop-bought, sealed packages so that we can double check ingredients lists and ensure everybody will be safe. Children can bring money in to school to buy a treat at playtime and any remaining cakes will be sold at home time.

Attendance

**Our school
attendance target is
97%.**

In assembly each Monday, we will share the attendance and the class with the highest attendance will receive a point. The winning class will choose a treat at the end of the half term!

**Attendance
Matters**

Every student. Every day.

**This week our whole
school attendance
was 95.4%**

**And the winning
class is...**

Reception (98.1%)

Congratulations!

KS1 & KS2 Homework

We have been so impressed to see some children already having a go at some of the "Power Boost" homework and have loved seeing what has been shared with teachers! So far, I have seen great Science and Art home learning—and have loved hearing that some parents have been involved too! Thank you for the support!

Don't forget...

The car park gate is not open any more before and after school in line with our safety arrangements.
