A note from Mrs Lennon

It has been a great week in school... I have spent lunchtime in the staffroom today hearing Mrs Bridge and Mrs Fuggle talk all about how impressed they are with their classes contributions to the new "Sharing Science" initiative! We have started with Year 3 and 6 as a trial and asked children to share any Science learning they do at home—and wow, they have done just that! We will soon roll this out to other classes so that more children can impress their teacher just as much!

I hope everybody has a lovely weekend!

Friends of Dane Bank

You may have seen my post on Class Dojo regarding our upcoming event organised by the Friends of Dane Bank. On Monday 7th October we are hosting a "Grandparents Coffee Morning"! We are hoping to have some Grandparents join their Grandchildren for tea/coffee and cake so that they can say a big thank you for all they do!

Also on 7th October, we will have a bake sale. We hope to receive donations of cakes/biscuits (homemade or otherwise!) and then the children can buy them for a special morning snack! We will sell any surplus after school that day!

Attendance

Our school attendance target is 97%.

In assembly each Monday, we will share the attendance and the class with the highest attendance will receive a point. The winning class will choose a treat at the end of the half term!

Attendance Matters

Every student. Every day.

This week our whole school attendance was 95.3%

And the winning class this week is Year 2 (98.7%) ! Congratulations!
