A note from Mrs Lennon

And just like that—January is finished! This term is already flying by and I can't believe there are only 2 weeks left until the half term holiday. Highlights for me from this week include: visiting the Year 2 class to see their fabulous writing all about new handbags designed for a Queen; walking through the sensory circuits session in the hall with The Hive children and seeing them all so engaged with the challenges and spending the last part of the day with the Year 3 class on Wednesday and getting to see them off at hometime! How lucky I am to spend my days with such wonderful children!

Pupil "Change Makers"

This year we have launched our Pupil "Change Makers" team. This is a group that runs in addition to our School Council with a remit of trying to make a positive social impact on the world and the community in which they live. They meet every 2 weeks with Mr Holley and discuss what they can be involved with. So far they are lining up some community litter picking; volunteering at the Dane Bank Green Space and possibly even a charity car wash! They are all aiming to earn badges to achieve the "SuperKind" social impact award!
